

Dear guest,

Thank you so much for confirming your interest in attending our event.

This is just a friendly reminder that the Nest pre-opening night is taking place tonight, Friday 7/21. Doors open at 5 pm, and we'll be greeting our guests with champagne flowing.

At 6 pm, we will start serving scrumptious offerings our Michelin Chef Jordan Grandviegne prepared for this special occasion. There will be a live blini station with black and red caviar set up to serve you, and we will be offering several other mouthwatering hors d'oeuvres and desserts.

Live jazz music will help create the perfect atmosphere to enjoy our spectacular sunset views.

**WE ARE LOOKING FORWARD TO HOSTING YOU,
OUR ESTEEMED GUEST!**
